Pending Claims:

This listing will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

Claim 1 (Previously presented): A release agent for a metallic mold used for forming a plastic molded product which release agent comprises a borate ester of polyoxyalkylene expressed by the following formula(1)

wherein R^1 , R^2 and R^3 are independently selected from the group consisting of hydrogen and a hydrocarbon group, and wherein a, b, c, d, e and f, independently are integers from 0 to 30 with the proviso that the sum of $a + b + c + d + e + f$ is from 6 to 80.

Claim 2 (Previously presented): A release agent for a metallic mold used for forming a plastic molded product according to claim 1, further comprising an amino-group containing compound.

Claim 3 (Previously presented): A release agent for a metallic mold used for forming a plastic molded product according to claim 2, wherein said amino-group containing compound is a
